

Homeowner Benefits from Jagoe Standard Energy Savers

- Lower Utility Bills
- Increased R-Value
- Humidity Regulation
- Reduced Air Infiltration
- Reduced Heat Loss
- Improved Seasonal Performance
- Provides HVAC Comfort
- Reliable Performance
- Delivers Even Airflow
- Decreases Water Consumption
- Regulates Water
- Removes Humidity
- Removes Contaminants
- Allows Proper Heat Removal

ENHANCED INSULATION

Insulated Systems: Walls, Ceilings and Foundations	X	X			X															
Foundation Vapor Barrier	X			X	X															
Exterior Insulation Board and House Wrap	X	X	X	X	X															
Insulated Doors and Windows with Low-E Glass Coatings, Flashing Tape and Weather Stripping	X	X	X	X	X															
Sill Sealants and Caulking	X			X	X	X														
Insulated Duct System	X	X			X	X	X													

ENERGY EFFICIENT HVAC SYSTEM

High Efficiency Furnace	X					X	X	X	X											
Energy-Saving AC Unit	X						X	X												
High Performance Programmable Thermostat	X					X	X	X												

PLUMBING EFFICIENCY

High Performance Water Heater	X																		X		
Plumbing Fixtures	X																		X		
Water-Saving Commode	X																		X		

HIGH PERFORMANCE APPLIANCES

Energy-Saving Range	X																				
Energy-Saving Dishwasher	X																		X		
Energy-Saving Washer and Dryer	X																		X		
Energy-Saving Refrigerator	X																				
Energy-Saving Microwave and Hood	X																			X	X

PROPER VENTILATION

Fully Ventilated Soffit System	X																		X		X
Exterior Vented Range Hood																			X	X	
Exterior Vented Bath Exhaust Fans																			X	X	
Attic Ventilation	X																		X		X
